

PRESS RELEASE

April 23, 2018

Siskiyou County Clerk Colleen Setzer is seeking interested volunteers to serve as Election Observers for the June 5, 2018 Statewide Direct Primary Election. The purpose of the Siskiyou County Election Observer Program is to provide an avenue of public observation of and input into the election process. Although being a volunteer observer does involve a time commitment, it is an educational, informative and rewarding experience and supports Ms. Setzer's primary responsibility of insuring the integrity and openness of the election process.

Observers are non-paid volunteers and are afforded the opportunity to monitor the various phases of preparing for the election, Election Day activities, as well as post-election procedures and reporting.

To uphold the integrity of the election, volunteer observers cannot be candidates or personally-related to any candidate running for office on the June 5th ballot. If you're interested in volunteering as an Election Observer, please contact Ms. Setzer via phone at 842-8084 or email at colleen@sisqvotes.org as soon as possible.
