

Press Release  
Polling Place Location Changes for the June 5, 2018 Primary Election  
February 5, 2018

Siskiyou County Clerk Colleen Setzer announces several polling place location changes ahead of the June 5, 2018 Primary Election:

In the Yreka area, voters who have previously voted at the Greenhorn Grange Hall on Ranch Lane in Yreka will vote at the Miner's Inn Convention Center located at 122 E Miner St. in mid-town Yreka.

In the Big Springs area, voters in the Mayten precinct who voted at the Mayten Fire Hall will return to the Big Springs Community Church, 7220 Hwy A-12, Montague; to cast their ballots. In the recent past, voters in the Mayten and Big Springs precincts have shared the Mayten Fire Hall as their polling location, but due to the increase in voter population in these precincts, the polling locations are being separated in order to provide more efficient service to voters.

Hornbrook Precinct voters will have a new polling place as well. These voters will vote at the Hornbrook Community Hall, 220 Main Street, Hornbrook.

In addition to polling place location changes, the Dunsmuir 3 precinct, which is an area outside of the city limits of Dunsmuir, is changing from a vote-by-mail precinct to a polling precinct, due to an increase in the number of registered voters in the precinct. Dunsmuir 3 voters will now be able to cast a ballot at their polling place, the Dunsmuir Community Building, 4841 Dunsmuir Ave., Dunsmuir or can choose to continue to have a ballot mailed to them.

The Siskiyou County Clerk's Office is in the process of mailing a notification to voter households affected by these listed changes. Additionally, each voter's polling location is included on the back cover of the county's voter information guide that is mailed to each voter approximately 30 days prior each election.

The June 5<sup>th</sup> election is a major one for Siskiyou County voters as all countywide offices, two county supervisor seats, as well as state and federal offices are up for election.
