

# OVERVIEW OF 2011 PUBLIC SAFETY REALIGNMENT ACT (AB109)

In an effort to address overcrowding in California's prisons and assist in alleviating the state's financial crisis, the Public Safety Realignment Act (Assembly Bill 109) was signed into law on April 4, 2011. AB109 transfers responsibility for supervising specified lower level inmates and parolees from the California Department of Corrections and Rehabilitation to counties. Implementation of the Public Safety Realignment Act is scheduled for October 1, 2011.

Additionally, Section 1230 of the California Penal Code is amended to read "Each county local Community Corrections Partnership established pursuant to subdivision (b) of Section 1230 shall recommend a local plan to the County Board of Supervisors for the implementation of the 2011 public safety realignment. (b) The plan shall be voted on by an executive committee of each county's Community Corrections Partnership consisting of the Chief Probation Officer of the county as chair, a Chief of Police, the Sheriff, the District Attorney, the Public Defender, presiding Judge or his or her designee, and the department representative listed in either section 1230 (b) (2) (G), 1230 (b) (2) (H), or 1230 (b) (2) (J) as designated by the county board of supervisors for purposes related to the development and presentation of the plan. (c) The plan shall be deemed accepted by the County Board of Supervisors unless rejected by a vote of 4/5ths in which case the plan goes back to the Community Corrections Partnership for further consideration. (d) Consistent with local needs and resources, the plan may include recommendations to maximize the effective investment of criminal justice resources in evidence-based correctional sanctions and programs, including, but not limited to, day reporting centers, drug courts, residential multiservice centers, mental health treatment programs, electronic and GPS monitoring programs, victim restitution programs, counseling programs, community service programs, educational programs, and work training programs."

## LOCAL PLANNING AND OVERSIGHT

### COMMUNITY CORRECTIONS PARTNERSHIP

In the last two years, there have been statewide efforts to expand the use of evidence based practices in sentencing and probation practices, and to reduce the state prison population. SB 678 (2009) established a Community Corrections Partnership (CCP) in each county, chaired by the Chief of Probation, charged with advising on the implementation of SB 678 funded initiatives. AB109 (2011) established an Executive Committee of the CCP charged with development of a 2011 Realignment Plan that will recommend a county-wide programming plan for the realigned population, for consideration and adoption by the Board of Supervisors.

The CCP Executive Committee will advise on the progress of the Implementation Plan. Chaired by the Chief Probation Officer, the CCP Executive Committee will oversee the realignment process and advise the Board of Supervisors in determining funding and

programming for the various components of the plan. Voting members of the Executive Committee include: a Judge (appointed by the Presiding Judge); Chief Probation Officer; County Sheriff; District Attorney; Chief of Police; Public Defender; and Director of County Social Services/Mental Health/Drug and Alcohol Services (as determined by the Board of Supervisors).
