POLICY: It is the Policy of Siskiyou County Health and Human Services Agency, Behavioral Health Division (SCBHD) to provide specialty mental health services regardless of ability to pay. SCBHD will follow the Sliding Scale of liabilities as set forth in the California Department of Mental Health (DMH) Information Notice 98-13 and the liability scale published by DMH and effective October 1, 1989. Medicaid laws supersede UMDAP for Clients on Medi-Cal.

PROCEDURES:

- > Clients beginning services at SCBHD will be seen for a fiscal intake interview at the onset of services. The fiscal intake will include collecting, verifying and inputting the client's financial information for the purpose of determining the client's ability to pay.
- > Clients are provided with an intake packet by the Health Assistant, and asked to complete. The client will then be seen by the Fiscal Technician for fiscal intake.
- The Fiscal Technician will:
 - Ensure that client is completing intake packet while Fiscal Technician begins data input.
 - Collect the clients financial information, including: Private Insurance, Medi-Cal, Medicare, Other Resources and verify eligibility, if appropriate. The Fiscal Technician will key this information into the Third Party Coverage form in the Management Information System (MIS).
 - Verify the client's income with the client, and complete the annual UMDAP form in the MIS with the client present.
 - Print the UMDAP form, review and explain the results of the sliding scale calculation with the client.
 - Sign the UMDAP form and obtain the client's signature.
 - Verify that client has signed the forms in the Intake Packet, including the Financial Review Form. (The Financial Review Form explains how services will be billed the client's responsibilities regarding payment).
- > UMDAP sliding scale fee calculations will be updated annually.

BILLING OF SERVICES AND ASSIGNMENT OF BENEFITS

You have or will be receiving services provided by Siskiyou County Human Health Services Agency. We are a county agency and rely upon Federal, State, County, client and other funding sources to pay for the services we offer.

Depending on your financial resources and available benefits, you may be responsible to pay for some or all of the fees associated with the services provided to you. Because of this, every consumer who receives services is asked to complete a Financial Review Form. Based on the information you provide to us, we will determine an amount that would be your maximum annual liability for payment for services. This determination will consider your Family size, Monthly Income, Total Assets and Allowable Deductions and will follow the California Department of Mental Health's Uniform Method of Determining Ability To Pay (UMDAP). Verification of the information will be required, as needed. The Annual Liability can either be paid in full or on a monthly basis. The method of payment will be determined when the Annual Liability amount is set. The Annual Liability will be updated every twelve months. If more than one person in the family receives services, all will be covered by one Annual Liability amount. As long as your financial situation remains the same, you will never be obligated for more than your Annual Liability, even if the cost of your care may be higher.

If you are <u>Medi-Cal</u> without a Share of Cost, you will not be charged the Annual Liability. However, if you have <u>CMSP Medi-Cal</u>, Behavioral Health will bill you in accord with your Annual Liability. If you are on <u>Medi-Cal</u> with a Share of Cost, you will be responsible for paying the Share of Cost up to the Annual Liability amount. If you have <u>Medicare and/or Private Insurance</u>, these third parties will be billed for the services provided. If the full amount is not paid by the third party and you do not also have Medi-Cal, you will be responsible for the remainder of the cost up to your Annual Liability amount. Medicare covers only certain services provided by Medicare certified clinicians and private insurance often covers only a limited number of services. If your Private insurance is a supplement to Medicare, it will follow the Medicare rules. Consequently, even if you have third party coverage, you could still be liable for payment up to the Annual Liability amount.

If you have Medicare and Medi-Cal:

a) without a Share of Cost, and your services are not fully covered by Medicare, the services will then be billed to Medi-Cal. You will not be responsible for the cost.

b) with a Share of Cost, and your services are not fully covered by Medicare, you are not considered to be on Medi-Cal until the Share of Cost is met and we must collect your Share of Cost up to the Annual Liability amount before billing Medi-Cal.

If you are covered by any insurance/benefit plan, you must give us the right to bill and receive payment for services provided to you by signing the authorization and acknowledgement below.
