

ATTENTION CLIENTS

Siskiyou County Behavioral Health accepts all major health insurances including Medicare and Medi-Cal/Partnership Health Plan.

Clients will not be denied medical services due to NO insurance. We offer a discounted/sliding fee package for those clients facing financial difficulties. Please ask the Health Assistant for a sliding fee application.

Please present your insurance card to the Health Assistant when you arrive for your appointment. If you have any changes in coverage, please let us know.

Thank you!
