Siskiyou County Head Fire RFP Amendment to Re-Include Site #7 as Part of the Bid Proposal

Hello all and thank you for attending our pre-bid meeting yesterday regarding the fire debris removal project for the Head Fire. Prior to the meeting the owners of site #7 indicated that they were not interested in participating in the cleanup program. However shortly after the meeting the owners contacted our office and changed their mind and do wish to be included in the project.

Please note that in this case a family member was lost to the fire and another severely burned when escaping on foot. We welcome the re-inclusion of their property as originally budgeted for and are requesting that all bids submitted include site #7 as depicted in the presentation pdf. which is attached for your reference.

Please respond to this email or contact our office to verify and acknowledge the re-inclusion of site #7 for bid proposals.

Sincerely,

Rick Dean
Community Development Director
