

Q & A

Q: "Hoping you could help me with the Taxes on the bid. Do they need to be listed in the price? Also can I submit my original bid or does it need to be listed on your forms?"

A: The bid form is offered but not required. I see your entity is located in Oregon, if sales tax will be collected and remitted to the State by your entity then please include it as that will be a component of the price. Please also include any other potential or optional charges such as delivery or the like.

Q: Verify delivery address for the machine for tax calculations?

A: Delivery of machine will be to the Siskiyou County Yard located at 279 Sharps Road, Yreka, CA 96097.
