Questions and Answers Requests for Proposals (RFP) for Janitorial Services

This document is a summary of questions and responses to the County of Siskiyou's Request for Proposals for Janitorial Services at 1312 Fairlane, 311 Fourth St., and 305 Butte St.

1. What is the square footage of each building in the RFP? 1312 Fairlane is approximately 30,000 square feet, 311 Fourth St is approximately 77,620 square feet, and 305 Butte St. is approximately 7,225 square feet.
2. Are the stairs on the north end (3 stories) of 311 Fourth Street to be included in the contract? Yes, the stairs will be part of the cleaning contract.
3. Are the bathrooms in the Jury Room to be included in the contract? Yes, the bathrooms will be part of the cleaning contract
4. What products should be used on the bulletproof glass? According to the manufacture the bulletproof glass should be cleaned with a soft, clean cloth and a mild soap, detergent, or slightly acidic cleaning solution (such as vinegar). Wipe with a clean lint free cloth.
