This document is a summary of questions and responses to the County of Siskiyou's Request for Proposals for the Board of Supervisors Chamber Audiovisual, #22-107010-2.

1. Do you have an item list for the solicitation mentioned above, or is it open brand? **We do not have an item list for this RFB, it is open brand.**
2. Is there a diagram or something that exists showing what the room currently has and what will be staying? Or is the room going to be a fresh build-out with all new gear? **Nothing exists in the current room. This will be a fresh build-out. Please see attached floor plan.**
3. How many different presenter devices do you want to support? **We will be utilizing a podium with a microphone and possibly the capability of displaying on the monitors.**
4. Where do you want to mount these loudspeakers – from the ceiling, on floor stands, etc.? **We would like them to be mounted from the wall or ceiling, this is to be determined by the contractor for best sound quality.**
5. Do you have the model number of the Biamp DSP? ~~We do not have the model number of the Biamp~~ **It has been discovered that the DSP is no longer available.**
6. How many total displays will there be needing access from the control system? **At least 2.**
7. Are you expecting any installation services to be included? **Yes, installation should be a part of this bid.**
8. How tall are the ceilings? **The ceilings are approximately 15'.**
9. What is the ceiling material? **Acoustic tile 12"X12"**
10. Are there any pictures or floor plans available? **Please see the Attached Floor Plan**
11. Is this a historic structure? **It is not on the historical register.** Was it built before 1960? **Yes**
12. Is this a prevailing wage project? **Yes, you will need to be registered with the DIR**
13. Is there a deadline for completion of install? **We are expecting the install to happen in the late fall of 2022.**
