Alan Barreca provided a background of his experience building homes using locally sourced natural materials and founding a non-profit organization. Mr. Barreca is interested in several low-cost shelter options, including prefabricated tiny homes and community-built cordwood houses. He shared that Earthship building methods could reduce development costs, foster community and empower unsheltered individuals.

Barbra Risling introduced Brian Linsley, the new Housing Director at Youth Empowerment Siskiyou (YES). Ms. Risling shared that YES has secured funding to provide motel vouchers and rental assistance for youth in need. Mr. Linsley will create the policies and procedures for this program and build up the rapid rehousing program.

Tara Kilcollins shared information about the Reaching Rural grant program. This program provides training and funding to organizations so they can aid individuals with dual diagnosis and justice involvement. Maddelyn Bryan will distribute information on this program.

4. Committee Updates

a. Executive Board update – Maddelyn Bryan

Maddelyn Bryan shared that the Executive Board approved HMIS data sharing with Partnership Health Plan. The Board also approved the 2024 Sheltered HIC Report, a draft emergency transfer plan and the submission of the collaborative application.

b. HMIS/CES Committee – Maddelyn Bryan

Maddelyn Bryan noted that the HMIS/CES Committee approved a survey to gather feedback from end users on their opinions and experiences with completing HMIS forms.

c. PIT Committee update – Duane Kegg

Duane Kegg announced that the PIT Committee will hold a public meeting on October 19th to draft survey forms and review the "Counting Us" app.

The Siskiyou County PIT workgroup will meet on the 18th to review 2025 PIT count strategies and polling locations.

5. New Business

a. Presentation; Nation's Finest – Chris Nelson

Chris Nelson, Assistant Site Director at Nation's Finest, presented on services available to Siskiyou County veterans. Although Nation's Finest does not have an office in Siskiyou County, their Humboldt County office is open to Siskiyou County residents. The organization uses a "whole person" approach, offering mental health support, case management, and transitional housing for up to two years, while

working to transition veterans into permanent housing. They also assist veterans facing eviction and help them apply for SSI and disability benefits. Additionally, Nation's Finest supports non-veterans through Cal AIM as an ECM provider. Maddelyn Bryan will send Mr. Nelson's contact information to the CoC email list.

b. Discussion item; NorCal CoC Structure (Attachment B) – Maddelyn Bryan

Question #1: *The NorCal CoC is a large seven-county geographic region. Do you feel the unique needs of your community are being met with the current structure? Please be specific on what your unique needs are for your region.*

- a. *If so, how?*
- b. *If not, how could it improve?*

The group discussed the topic and reached a consensus that, while the community's needs are not being met perfectly, the City of Redding provides essential administrative support as the lead agency. The City has proven to be more efficient than Shasta County, successfully streamlining approvals and reducing timeline challenges. Siskiyou County has limited administrative capacity and relies on the lead agency for support with applications.

Question #2: *The NorCal CoC currently allocates CoC funding based on the PIT/HIC counts. How do you feel about this allocation structure and how it impact's your Community?*

- a. *Is the funding distributed fairly between County and non-profits in your community?*

The group discussed alternative methods for funding allocation, suggesting basing it on the number of homeless individuals in HMIS and the size of the county. There is concern that the PIT count doesn't capture the full picture, especially for areas with a seasonal influx of homeless individuals. Some members proposed using other metrics, like the number of rent burdened households and poverty rates, to better allocate resources.

The County works with nonprofits to encourage applications and steps in to apply for any unclaimed funds, ensuring nothing is left on the table. Siskiyou County has not experienced oversubscription.

Question #3: *Do you feel that a smaller region or single county CoC would improve available funding for your community?*

- a. *There are additional grant opportunities that sometimes do not get applied for as they don't make sense for a large seven-county CoC. One being the Encampment Grant.*

The group agreed that a smaller or single-county CoC would not benefit Siskiyou County, as the County lacks the personnel and funding to support the administrative work required. A benefit of the current structure is that Siskiyou County sometimes receives funds that other counties in the CoC are unable to spend.

Question #4: *What challenges and benefits do you see to restructuring the NorCal CoC?*

- a. *Administrative*
- b. *Funding*
- c. *Additional grant opportunities*
- d. *HMIS System Administration*
- e. *Other*

The consensus was that restructuring the NorCal CoC would result in administrative and HMIS challenges. The CoC is still stabilizing after the role of lead agency was transferred from Shasta County to the City of Redding.

Question #5: *If the NorCal CoC did not exist, how would you set up the CoC or CoC's for this geographic area and why?*

If the NorCal CoC did not exist, some participants suggested establishing smaller offices in remote areas like McDole, Dorris, or Happy Camp to better distribute resources. However, there were concerns about the administrative burden and destabilizing effects of restructuring. The group generally agreed that maintaining the current structure, despite its challenges, is preferable for the time being.

c. Discussion item; Letter to Community Homeless Service Providers HDAP Funding – Trish Barbieri (Attachment C)

Trish Barbieri was not in attendance, so Emily Tuholski led the discussion. Ms. Tuholski shared that Siskiyou County Social Services received funding from the California Department of Social Services to operate the Housing and Disability Advocacy Program (HDAP). This funding allows Social Services to provide temporary housing, typically in motels, while assisting participants with applying for benefits such as Social Security and Disability. Currently, Social Services is housing 36 participants, 6 of whom are supported through HDAP funding. The expenditure deadline for this funding is June 30, 2025.

d. Discussion item and possible action; Siskiyou County Advisory Board Membership Policy (Attachment D) – Duane Kegg

Dustin Rief motioned to expand the Siskiyou County Advisory Board membership limit to 15 to account for all current members. Nancy Ogren seconded. A roll call vote

was taken. Susan Cervelli abstained. All other members approved. The motion passed.

6. Old Business

a. Discussion item; Planning for Warming Shelters – Lorenzo Love/Duane Kegg

Lorenzo Love suggested using the Red Oak Room at Siskiyou County Behavioral Health as a temporary warming shelter due to its proximity to the homeless population. For a long-term solution, Mr. Love recommended repurposing the old red schoolhouse building as a combined warming and cooling shelter and urged the City of Yreka to take action on this. He also proposed an alternative option: setting up a disaster relief tent on the hill equipped with heating and cooling. However, Susan Cervelli noted that the Red Oak Room cannot be used as a warming shelter because the Behavioral Health building is used for work with Child Protective Services.

Maddelyn Bryan shared that a local church had approached her, offering to serve as a warming center if Siskiyou County could provide transportation. Dawnmarie Autry mentioned her connections with another church in Weed, California, that might also be willing to assist. Ms. Autry agreed to reach out to the church and report back.

The group then discussed the weather conditions that would necessitate activating a warming shelter. Nancy Ogan provided details about the current system used by the City of Yreka and the Office of Emergency Services, which relies on a chart that considers factors such as temperature, wind, snow, rainfall, and duration.

7. Member Updates

Tara Kilcollins provided an update on Basecamp, noting ongoing efforts to resolve the ADA exit issue in collaboration with the City of Yreka. She also reported delays due to shipping issues with the bathroom tiles.

Siskiyou County Human Services' Housing Programs 2023/2024

Under the Housing First approach, anyone experiencing homelessness should be connected to a permanent home as quickly as possible, and programs should remove barriers to accessing the housing, like requirements for sobriety or absence of criminal history. It is based on the “hierarchy of need:” people must access basic necessities—like a safe place to live and food to eat—before being able to achieve quality of life or pursue personal goals. Additionally, Housing First values choice not only in where to live, but whether to participate in services.

Policy and Procedures (P&Ps) including Governance Charter

To ensure that the Governance Charter remains relevant and reflective of the needs of the community, the Governance Charter shall undergo regular reviews and updates as outlined below:

Feedback Collection

Feedback from all stakeholders, including board members, committee members, staff, and the broader community, shall be encouraged on an ongoing basis.

Feedback can be submitted through the following channels:

Formal Meetings: Stakeholders may provide feedback during designated feedback sessions at Advisory Board Meetings.

Written Submissions: Stakeholders may submit feedback in writing via email to norcalcoc@cityofredding.org, or other designated methods.

Surveys: Periodic surveys may be conducted to gather input on the effectiveness of the Charter and its implementation.

Biannual Charter Updates

The Governance Charter shall be reviewed and updated biannually, with revisions taking effect on January 1st and June 1st of each year.

All feedback received prior to these dates will be reviewed, and proposed amendments will be drafted and presented for approval during the update process.

Review Process:

Governance Charter Workgroup: A designated Workgroup, consisting of members from key committees and stakeholders, shall be responsible for reviewing all feedback and proposed changes.

Drafting Amendments: The Workgroup shall draft any necessary amendments to the Governance Charter based on the feedback received. Proposed amendments must be circulated to the Advisory Board for review and comment a minimum of three weeks prior to final approval.

Approval: The updated Governance Charter, including any amendments, shall be approved by the Advisory Boards through a majority vote. Once approved through the Advisory Boards, the final approval will be requested by the Executive Board.

Communication of Updates: Once the Charter has been updated, all stakeholders will be informed of the changes through official communications, including email announcements, website updates, and presentations at board or committee meetings.

Emergency Amendments

In exceptional cases where urgent changes are needed outside of the biannual review cycle, the Workgroup may propose emergency amendments. These amendments will follow an expedited review and approval process as determined by the Advisory Boards.

The Expedited Review Process: Proposed amendments will be circulated to each Advisory Board 72 hours prior to final approval. Once approved through the Advisory Boards, the final approval will be requested by the Executive Board.

Advisory Board Membership Policy

Advisory Boards will be made up of agency representatives from city(ies) (if applicable), county(ies), and relevant stakeholders that will include a broad representation of key stakeholder groups found within the counties encompassed in the CoC as articulated in the HUD Interim Rule. Each Agency, Department or Division is allowed one Voting Member on the Advisory Board. Advisory Board members must adhere to the guidelines and responsibilities as outlined in the NorCal CoC Governance Charter. Advisory Board participation is mandatory for agencies receiving CoC funding.
