9. Adjournment

Next Meeting
September 4, 2024
1:30pm-3:00pm

If requested, the agenda shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. You may contact 530-841-2748 for disability-related modifications or accommodations, including auxiliary aids or services, in order to participate in the public meeting.

NorCal Continuum of Care™

Siskiyou County Advisory Board Special Meeting
July 17, 2024
1:30pm – 3:00pm
Red Oak Room, Behavioral Health, 2060 Campus Drive, Yreka

1. Call to Order/Quorum Established/Introductions

Nancy Ogren, Member, called the special meeting to order at 1:36 PM. A quorum was established.

Present: Members Michael Aiuto, Christina Brown, Rachael Clem, Mark Gilman, Nancy Ogren, Denise Patterson, Alternate Member Maddelyn Bryan

Staff/participants/public attendees: Dawnmarie Autry, Lorenzo Love, Eric Jauregui, Rico Gutierrez, Sasha Hight, Bob Mason, Tara Kilcollins, John Westfall, Melissa Willick, Alexandra Agron, Regina Hanna

Zoom: Alternate Member Ann Escobar, Participant Alan Barreca

2. Approval of Meeting Minutes from June (Attachment A)

Christina Brown motioned to approve the minutes from June 5, 2024. Rachael Clem seconded. A roll call vote was taken. The motion passed by unanimous vote.

3. Public Comments (limited to 3 mins. per comment)

Dawnmarie Autry commented that she would like to see more assistance for individuals living without cooling and heating, including those experiencing homelessness. Individuals are often unaware of cooling center events and are not able to access transportation to the cooling center. Individuals living on the hill need more support during these heat waves. Maddelyn Bryan responded that she and Rico Gutierrez handed out hydration supplies to individuals living on the hill last week. Maddelyn outlined current HHSA homeless outreach efforts, including the shower truck and outreach worker.

Lorenzo Love suggested that a cooling center closer to the hill would offer easier access to the cooling center and supplies for individuals living on the hill. He offered to give

individuals a ride to the cooling center, but they didn't want to leave their belongings. Sasha Height responded that she usually provides transportation for these events, but she was out sick.

Tara Kilcollins noted that she was concerned about individuals living along the greenway in Yreka being told they need to leave during the hottest time of the year. Also, a wooden bridge in Yreka is broken and this is a safety issue. Tara is requesting that the bridge be repaired. She also requested that Mark Gilman describe the eviction notice for those living along the greenway.

Mark Gilman responded that the Yreka Police Department (YPD) is trying to mitigate fire risk. The unhoused population is cooking outside next to tall dry weeds. Bob Buker is no longer the liaison officer, so Mark is filling in. Mark talked to individuals living along the greenway and explained the fire risks to them and why they would have to move. The YPD is providing individuals weeks of notice and offering to help them move before cleanup begins. There is no camping allowed on public property in Yreka, but the YPD is not enforcing this on the hill since it is a maintained fire safe area. There are 21 camps and approximately 40 people that are living along the greenway that need to relocate.

4. Committee Updates

a. Executive Board update - Sarah Collard

Maddelyn Bryan shared that Trish Barbieri attended this meeting as Sarah Collard's alternate. The Board discussed the HHAP-4 application deadline. The deadline was extended to July 29th. The meeting minutes are posted on the CoC website if anyone would like to learn more about this meeting.

b. HMIS/CES Committee – Maddelyn Bryan

Maddelyn Bryan noted that the Committee continues to make updates to HMIS forms. She suggested that everyone download HMIS forms directly from United Way's website to ensure they are using the latest versions. The Committee will circulate a survey to gather input from end users, which will be assessed to enhance the VI-SPDAT and the information collection framework.

5. New Business

a. Action Item; Approval of new executive board member and alternate executive board member (Attachment B) – Sarah Collard

Maddelyn Bryan shared that Sarah Collard would like Maddelyn to be the Executive Board Member and for Sarah to become the Alternate Board Member. Mark Gilman motioned to approve. Rachael Clem seconded. A roll call vote was taken. The motion passed by unanimous vote.

b. Discussion; Resource connections for unhoused individuals – Dustin Rief

Since Dustin Rief could not attend this meeting, this discussion item will be moved to the August agenda.

6. Old Business

7. Member Updates

a. Basecamp updates – County staff/NVCSS staff

Tara Kilcollins shared that the final phase of construction is underway, pending the availability of the concrete contractor. The firewalls were installed and will be inspected. A new mural was painted inside the building by a local artist. Basecamp applied for a temporary occupancy permit and they City's inspector did not approve.

b. Crossroads update – Sarah Collard

Maddelyn Bryan noted that the Siskiyou Crossroads Grand Opening was held last week. Crossroads is processing applications and will begin signing leases in late July. Those interested in the low-income units can apply through RCHDC.org. For the units reserved for people exiting homelessness with a serious mental illness, applicants are selected through Coordinated Entry. For those wishing to apply, they can connect to an access point (Youth Empowerment Siskiyou, Behavioral Health, Rico Gutierrez) and complete a Coordinated Entry intake. Once in Coordinated Entry, new Crossroads applicants are selected based on highest vulnerability.

c. Pallet shelter update – Maddelyn Bryan

Maddelyn Bryan shared that Northern Valley Catholic Social Service (NVCSS) was selected as the service provider for the Pallet shelter. The County has been working with the City on the development. The engineered drawings are complete. The next step is to collect bids on site preparation. Discussion ensued on tiny home projects in other states, more details about this project, and future housing options in the County.

d. Letter to Community Partners HSP (Attachment C) – Maddelyn Bryan

Maddelyn Bryan stated that this program provides an annual allocation that has been significantly reduced this year due to state-wide budget cuts. Information on this program is available in the letter included in the agenda packet. Community Partners HSP is a flexible program, and the County uses it based on the needs of each CalWORKs-eligible family.

8. Discussion Items for Next Meeting

Action item; HHAP-5 budget update – Maddelyn Bryan

Discussion; Resource connections for unhoused individuals – Dustin Rief

9. Adjournment

Rachael Clem motioned to adjourn the meeting at 2:27 PM. Maddelyn Bryan seconded. A roll call vote was taken. The motion passed unanimously.

Next Meeting
August 7, 2024
1:30pm-3:00pm

If requested, the agenda shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. Guides and Training Manuals

Applying for DV Bonus Projects During the CoC Program Competition

Print

Date Published: September 2021

Description

The CoC Program FY 2021 NOFA includes funding for Domestic Violence (DV) Bonus projects to establish projects that serve households fleeing domestic violence, dating violence, sexual assault, stalking, and other households that meet the criteria of paragraph (4) of the definition of homeless at 24 CFR 578.3, including survivors of human trafficking.

The boxes below highlight common questions. The resources provide more detailed information about the application process.

▼ Who must be served?

- DV Bonus projects are intended to meet the needs of survivors of domestic violence, dating violence, sexual assault, and stalking who qualify as homeless under paragraph (4) of the homeless definition at 24 CFR 578.3.
- As addressed in Section III.B.2.m of the FY 2021 CoC Program Competition NOFO, "persons who are fleeing or attempting to flee human trafficking may qualify as homeless under paragraph (4) of the definition at 24 CFR 578.3;" therefore, survivors of human trafficking who qualify as homeless under paragraph (4) of the definition of homeless are also eligible for DV Bonus projects.

▼ What types of projects are eligible?

What types of projects are eligible:

Eligible types of project include those with the following components:

- Rapid rehousing (RRH)
- Joint transitional housing and rapid re-housing (Joint TH and PH-RRH)
- Supportive Services Only - Coordinated Entry (SSO-CE)

Ineligible project components include:

- Permanent Supportive Housing (PSH)
- HMIS

▼ Can an application be submitted for an expansion project?

Yes. Project applicants can submit a New Project Application under the DV Bonus to expand an eligible existing renewal project.

This expanded portion of the project must be the same component as the existing projects and can only be for eligible components: RRH, Joint TH and PH:RRH, and SSO-CE.

See **Expansion Projects** (<https://www.hudexchange.info/resource/5853/applying-for-expansion-projects-during-the-coc-program-competition/>) for more information.

▼ How many DV Bonus projects may be submitted?

A CoC may apply for multiple housing projects under the DV Bonus, specifically RRH projects and Joint TH and PH:RRH projects.

Each CoC is allowed to submit only one SSO-CE project application under the DV Bonus.

▼ Does the rank position affect whether the DV Bonus project will be selected?

Does the rank position affect whether the DV Bonus project will be selected?

A DV Bonus project's ranking on the priority listing will not affect its likelihood of being selected. Whether the project is ranked first, last, or somewhere in between, it has the same chance of being selected.

However, should the submitted DV Bonus project pass all eligibility and quality threshold criteria, but is not selected with DV Bonus funds, the project may still be considered as a new project application under the CoC Bonus process.

▼ How do the project rankings change when the DV Bonus project is or is not awarded?

If a CoC's DV Bonus project(s) is selected and awarded with DV Bonus funds, HUD removes the project from the CoC's Priority Listing. As a result, projects that had originally been ranked below the selected DV Bonus projects will move up.

If a DV Bonus project is not selected for award using DV Bonus funds, the DV Bonus project remains on the CoC's Priority Listing and will be considered for conditional award, but the funding would count towards the CoC's regular (non-DV) Bonus funding.

▼ Is the DV Bonus project application the same as other applications?

Yes, the project applicant uses the New Project Application to submit the application for the DV Bonus project; there is no different type of application.

Note that the CoC Application that is completed by the Collaborative Applicant has additional questions that are specific to the DV Bonus.

▼ Where in the application do I need to provide information about the DV Bonus project?

where in the application do I need to provide information about the DV Bonus project:**Screen 3B. Description**

Applicants must include in the description how these funds will be dedicated to the eligible population that must be served.

Screen 4A. Supportive Services for Participants

Applicants must describe how participants will be assisted to obtain and remain in permanent housing. New projects applying for DV Bonus funds must tailor the description to include how the eligible population will be assisted to obtain and remain in permanent housing that addresses their particular needs, including safety, and includes trauma-informed, victim-centered approaches.

Screen 6A. Funding Request:

- Question 2 asks project applicants to identify the type of funding being requested. Select "DV Bonus."
- Question 1b asks project applicants to indicate whether the project can realistically be under grant agreement by September 15, 2022. This question is informational only, and the response does not affect the selection of the project. It assists HUD in planning for the award of DV Bonus funds made available through the FY 2020 and FY 2021 Appropriations Acts.

▼ **Why are DV Bonus funds available through both the FY 2020 and FY 2021**

Why are DV Bonus funds available through both the FY 2020 and FY 2021 Appropriations Acts?

Both Appropriations Acts made funds available under DV Bonus. The FY 2020 DV Bonus funds were not awarded because the annual CoC Program Competition did not take place due to the pandemic. Instead, HUD automatically renewed the projects that had been awarded FY 2019 funds.

The DV Bonus funds available through the FY 2020 Act must be obligated by the September 15, 2022 deadline. Those available through the FY 2021 Act must be obligated by the September 15, 2023 deadline.

Once awards are made, HUD will prioritize new DV Bonus project awards for completing the post-award process.

HUD field offices will reach out to new DV Bonus funded projects to determine readiness for the grant agreement process in an effort to ensure a minimum of \$50,000,000 is obligated prior to the September 15, 2022 deadline. All such DV Bonus projects will be funded from the FY 2020 appropriations. All remaining DV Bonus projects will be funded from FY 2021 appropriations with grant agreements executed by September 15, 2023.

Resources

These resources expand on the information above, provide a graphic illustration of how the ranking and award process works, and offer additional guidance.

EXECUTIVE DEPARTMENT STATE OF CALIFORNIA

EXECUTIVE ORDER N-1-24

WHEREAS California is experiencing a homelessness crisis decades in the making, with over 180,000 people estimated to have experienced homelessness on any given night in 2023, including 123,000 people who experienced unsheltered homelessness, living in tents, trailers, and vehicles across the state; and

WHEREAS within the first year of my Administration I fast-tracked the development of shelter through Executive Order N-23-20, which directed departments to assess and facilitate the use of available state land and resources for short-term emergency homeless shelters; and

WHEREAS since the beginning of my Administration, the State has made unprecedented investments to address the homelessness crisis head on, investing more than \$24 billion across multiple state agencies and departments, including \$4.85 billion in flexible funding to local jurisdictions to prevent and reduce homelessness through Homeless Housing, Assistance and Prevention grants, \$1 billion in Encampment Resolution Funding to assist local jurisdictions in providing services and supports to people living in encampments, and \$3.3 billion to rapidly expand housing for persons experiencing homelessness through Homekey; and

WHEREAS the State has redoubled its commitment to holding local jurisdictions accountable to reduce homelessness, including by strengthening and enforcing requirements that local jurisdictions plan for their fair share of housing and by conditioning state homelessness funding on rigorous reporting and measurable performance metrics; and

WHEREAS it is imperative to act with urgency to address dangerous encampments, which subject unsheltered individuals living in them to extreme weather, fires, predatory and criminal activity, and widespread substance use, harming their health, safety, and well-being, and which also threaten the safety and viability of nearby businesses and neighborhoods and undermine the cleanliness and usability of parks, water supplies, and other public resources; and

WHEREAS while every jurisdiction must do more to address encampments, state and local agencies taking proactive steps to remove encampments have been stymied in those efforts by lawsuits and injunctions, leaving officials without the tools or guidance necessary to address the crisis on their streets; and

WHEREAS in September 2023, I called on the United States Supreme Court to grant review in *City of Grants Pass v. Johnson* to clarify that state and local officials can take reasonable actions to resolve encampments while respecting the humanity of all Californians; and

WHEREAS in June 2024 the Supreme Court overturned Ninth Circuit Court of Appeals precedent that restricted the government's authority to enforce laws regulating encampments, recognizing that jurisdictions may tailor their enforcement practices to reflect policy-driven approaches to addressing homelessness; and

WHEREAS with the threat of these types of injunctions removed, there is no longer any barrier to local governments utilizing the substantial resources

provided by the State, in tandem with federal and local resources, to address encampments with both urgency and humanity, or excuse for not doing so; and

WHEREAS guidelines that prioritize offers of shelter and services as a first step to resolving any encampment best respect the dignity of every Californian and provide meaningful paths to ending homelessness; and

WHEREAS the California Interagency Council on Homelessness leads California's efforts to prevent and end homelessness; and

WHEREAS the California Department of Transportation maintains a policy directive that prioritizes removal of encampments that pose threats to life, health, and safety, while partnering with local governments and nonprofit providers to facilitate offers of shelter and supportive services in advance of a removal; and

WHEREAS the California Department of Transportation has, since July 2021, removed 11,188 encampments and 248,275 cubic yards of debris from these encampments along the state rights of way.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, do hereby issue the following Order to become effective immediately:

IT IS HEREBY ORDERED THAT:

- 1) Agencies and departments subject to my authority shall adopt policies, generally consistent with California Department of Transportation's Maintenance Policy Directive 1001-R1, to address encampments on state property, including through partnerships with other state and local agencies, and shall prioritize efforts to address encampments consistent with such policy. Such policies shall include the following:
 - a. Whenever feasible, site assessment in advance of removal operations to determine whether an encampment poses an imminent threat to life, health, safety or infrastructure such that exigent circumstances require immediate removal of the encampment.
 - b. Where exigent circumstances exist, as much advance notice to vacate as reasonable under the circumstances.
 - c. Where no exigent circumstances exist, posting of a notice to vacate at the site at least 48 hours prior to initiating removal.
 - d. Contacting of service providers to request outreach services for persons experiencing homelessness at the encampment.
 - e. Collection, labeling, and storage for at least 60 days of personal property collected at the removal site that is not a health or safety hazard.
- 2) All departments and agencies not under my authority are requested to adopt policies consistent with the guidelines in Paragraph 1.
- 3) Local governments are encouraged to adopt policies consistent with this Order and to use all available resources and infrastructure,

including resources provided by the State's historic investments in housing and intervention programs where appropriate and available, to take action with the urgency this crisis demands to humanely remove encampments from public spaces, prioritizing those encampments that most threaten the life, health, and safety of those in and around them.

- 4) The California Interagency Council on Homelessness shall develop guidance and provide technical assistance consistent with this Order for local governments to follow in implementing their local homelessness programs.

IT IS FURTHER ORDERED that, as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 25th day of July.

GAVIN NEWSOM
Governor of California

ATTEST:

SHIRLEY N. WEBER, Ph.D.
Secretary of State
