Notice of Public Hearing

Notice is Hereby Given that the Siskiyou County Planning Commission will hold a Public Hearing on **Wednesday, January 15, 2025, at 9:00 a.m.**, or as soon thereafter as the matter may be heard, in the Board of Supervisors Chambers, 311 Fourth Street, Second Floor, Yreka, California, on the project described below.

Remote listening of this meeting will be available via Zoom/teleconference. The information necessary to listen via Zoom/teleconference will be set forth on the meeting Agenda the Friday before the meeting. Should you wish to comment on this project, you may submit a written comment or attend in person.

Visioning and Guiding Principles Status Review 2050 Siskiyou County General Plan Update

Project Location and Description: Staff will provide an updated version to the Planning Commission of the *Draft Community Vision and Guiding Principles for the County General Plan*, which incorporates changes requested by the Board of Supervisors and the Planning Commission at the joint Workshop Session held on October 15, 2024. This update will include a list of comments received from the community and the Technical Advisory Committee (TAC). Comments received during the update session will be considered in preparation of the Final Community Vision and Guiding Principles.

A vision statement reflects what community members value most about the County and their shared aspirations for the future. The vision statement sets the direction for the General Plan's goals, policies, and implementation programs for the next 20 years. For more information on the project, follow the project [website](#).

The General Plan Visioning and Guiding Principles recommendation is exempt from environmental review pursuant to Section 15061(b)(3) of the California Environmental Quality Act (CEQA) Guidelines under the general rule that CEQA only applies to projects which have the potential for causing a significant effect on the environment. Because it can be seen with certainty that there is no potential for the proposed recommendation to have a significant effect on the environment, staff is recommending the "common sense exemption" be adopted in accordance with Section 15061(b)(3) of the CEQA Guidelines..

Project documents, which include the project application, circulated CEQA documents and any other non-draft documents, are on file at the Planning Division of the Siskiyou County Community

Development Department, 806 South Main Street, Yreka, California, 96097 and are available for public review upon contacting the staff planner. A staff report and all attachments will be available for public review three working days prior to the Planning Commission meeting either at the Planning Division office or online on the Siskiyou County Planning Commission's [meeting page](#).

All items presented to the Planning Commission during a public hearing, including but not limited to, letters, e-mail, petitions, photos, or maps, become a permanent part of the record and must be submitted to the Clerk of the Commission. It is advised that the presenter bring 12 copies of anything presented to the Commission and that the presenter create copies in advance for their own records.

All public records related to an open session item on the Agenda which are not exempt from disclosure pursuant to the California Public Records Act that are distributed to a majority of the legislative body will be available for public inspection at 806 S. Main Street, Yreka, CA 96097, at the time that the public records are distributed or made available to a majority of the members of the legislative body.

Any concerns or issues relating to the project must be raised during the public review period or at the public hearing. Public comments can be submitted via mail or hand delivery to the Planning Division (806 S. Main Street, Yreka, CA 96097) or email to planning@co.siskiyou.ca.us. Please include your name and physical address. Comments must be received by the County by 5:00 p.m. the day before the public hearing. If you challenge either the proposed project or the project's environmental document in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to Planning prior to or at the public hearing.

For more information regarding the proposed project or the public hearing, please contact Hailey Lang at (530) 841-2100 or hlang@co.siskiyou.ca.us.
