AARON STUTZ, MD
PUBLIC HEALTH OFFICER

Notice of Public Hearing

Notice is Hereby Given that the Siskiyou County Planning Commission will hold a Public Hearing on **Wednesday, November 20, 2024, at 9:00 a.m.**, or as soon thereafter as the matter may be heard, in the Board of Supervisors Chambers, 311 Fourth Street, Second Floor, Yreka, California, on the project described below.

Remote listening of this meeting will be available via Zoom/teleconference. The information necessary to listen via Zoom/teleconference will be set forth on the meeting Agenda the Friday before the meeting. Should you wish to comment on this project, you may submit a written comment or attend in person.

Jochim Use Permit (UP-24-13)

Project Location and Description: The project site is located at 4381 Scott River Road, Fort Jones, CA 96032; APN: 014-370-030; Township 44N, Range 9W, Section 29, M.D.M.; MDB&M; Latitude 41.637°, Longitude 122.906°. The applicant is requesting approval of a use permit for construction of an open pole barn for lumber and portable sawmill operation and storage on a 140.8-acre parcel within the timber production zoning district; and occupancy of an existing cabin and accessory structures, including corrals and a storage building, consistent with and pursuant to the uses permitted in the timber production zoning district.

It is anticipated that the proposed use permit will be determined to be categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15301, *Existing Facilities*, and 15303, *New Construction or Conversion of Small Structures*, of the CEQA Guidelines. A “categorical exemption” implies that the project will not result in any significant adverse environmental effect. The Planning Commission will consider the appropriateness of said environmental recommendation based on the record of evidence before them. If substantial evidence has been presented demonstrating a more appropriate environmental determination than the one that has been recommended, the Planning Commission may require and/or approve an alternative environmental determination pursuant to the requirements of CEQA.

Project documents, which include the project application, circulated CEQA documents and any other non-draft documents, are on file at the Planning Division of the Siskiyou County Community Development Department, 806 South Main Street, Yreka, California, 96097, and are available for public review upon contacting the staff planner. A staff report and all attachments will be available for public review three working days prior to the Planning Commission meeting either at the Planning Division office or online on the Siskiyou County Planning Commission’s [meeting page](#).

All items presented to the Planning Commission during a public hearing, including but not limited to, letters, e-mail, petitions, photos, or maps, become a permanent part of the record and must be submitted to the Clerk of the Commission. It is advised that the presenter bring 12 copies of anything presented to the Commission and that the presenter create copies in advance for their own records.

All public records related to an open session item on the Agenda which are not exempt from disclosure pursuant to the California Public Records Act that are distributed to a majority of the legislative body will be available for public inspection at 806 S. Main Street, Yreka, CA 96097, at the time that the public records are distributed or made available to a majority of the members of the legislative body.

Any concerns or issues relating to the application must be raised during the public review period or at the public hearing. Public comments can be submitted via mail or hand delivery to the Planning Division (806 S. Main Street, Yreka, CA 96097) or email to planning@co.siskiyou.ca.us. Please include your name and physical address. Comments must be received by the County by 5:00 p.m. the day before the public hearing. If you challenge either the proposed project or the project's environmental document in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to Planning prior to or at the public hearing.

For more information regarding the proposed project or the public hearing, please contact James Phelps at (530) 841-2100 or jvphelps@co.siskiyou.ca.us.

Hailey Lang, Secretary
Siskiyou County Planning Commission
